

Erro Tipo I:

Aisha's note: "Parir" is a verb used as "give birth", but it is way more coloquial, almost a slang. If you want something less informal, you can use "Eu <u>ainda</u> tenho certeza que dei à luz vocês dois".

But don't worry about "parir", is not considered offensive, it is just something that you would not see in a Newspaper or magazine.

Tá, mas e AGORA?? *suspiro* SIM.
Eu <u>ainda</u> tenho

certeza que pari
vocês dois.

mutação", when something undergo the mutation process.

We don't have a similar for "data wrangling", so after talking to a friend, we concluded that "Dome" (like tame) would be the best fit here, but just the verb would be a little strange, so I added "Dome os dados", which means "Tame the data".
